With its Legende Blue hull, the Cap Camarat 6.5WA exhibits a sleek and sporty design that's bound to turn heads. This vessel is perfect for family outings and creates an inviting atmosphere on board. She has an erganomic and spacious layout to suit everybody. The aft cockpit of this vessel is very vesatile with pull out benches on both port and starboard, to help create a U-shape seating area, around her fibreglass cockpit table. The aft of this vessel also has two large storage lockers and flush mounted swimming platforms with a locker on the port side.

The helm position on the 6.5WA is slightly offset to allow for a wider port side deck, although access to the bow is still easy and safe on the starboard side. Fitted to this vessel are the larger model bolster seats to allow for extra comfort when out and about. Access to the cabin is found in the console of this vessel, made simple by a sliding door and step down into the cabin. The cabin can be made into a large double berth, and also has a chemical toilet on board.

Moving to the bow of this vessel and you are greeted with a large front deck, with sunpad cushions. This is a fantastic space to sit and relax with family anf friends, there are even two cupholders on the starboard side! The perfect space for those looing to stretch out and relax at anchor. At the bow, you will also have access to the electric windlass, which is neatly hidden in the anchor locker.
